THE HARD HAT HERALD SPRING 2020

As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

PORTLAND CHAPTER 54, SPRING 2020

Message from Your President

2020 is nearly two months in, and the NAWIC year is flying by. As I write this note we are preparing for our Oregon Coast Retreat (February 28-29), where the Portland, Salem and Eugene Chapters get together to share ideas and network with the amazing women in our industry.

Following immediately after the Retreat is WIC Week 2020! This week-long celebration of women in construction is the outreach and education highlight of our year. The theme for the year is "Paving New Roads to Construction," which is an appropriate slogan for the billboards currently displayed around Portland. Women from member companies across the area will be hosting job tours and learning opportunities. Be sure to look at the calendar of events later in this issue.

As of this month we are 73 members strong, and well on our way to our membership goals. We are planning another full slate of Chapter meetings and events, building on our site tour of the Multnomah County Central Courthouse in January, hosted by Hoffman, and a great discussion of Reshma Soujani's TED Talk, "Brave, Not Perfect," on February 20th.

This spring, NAWIC members will be representing Portland at Spring Forum in Boise (April 23-25), while a dedicated group of volunteers tackles our 3^{rd} house with Rebuilding Together on April 25^{th} .

As always, we encourage anyone interested in the Chapter's various events to get in touch with us and get involved! Visit the Chapter website at nawicportland54.org or find us on Instagram, Twitter, and Facebook to see what we're up to next. Pave new roads to construction, and new roads for your NAWIC Chapter, in 2020!

$WIC^{\text{Join us for}}Week_{\text{March 1-7}}2020$

What is WIC week you ask? The focus of Women in Construction (WIC) Week is to highlight women as a viable component of the construction industry. WIC Week also provides an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry. It is also a time for local chapters to give back to their communities.

The NAWIC Portland 54 Chapter have all worked extremely hard to put together a fantastic calendar of events for WIC week, which includes brunch/lunch and learns, jobsite tours, happy hours and construction panels/discussions, all led by amazing women in the construction industry. Please see attached for our NAWIC WIC week flyer for full calendar of events and additional details and directions on where to park.

Any questions? Feel free to contact Stacey Lin or Marilyn Morrison, your WIC week committee chairs.

Thanks, and we hope to see you at some/all of these great WIC week events!

Highlights from Recent Meetings

January 16, 2020 – Site tour of the new Multnomah County Central Courthouse.

February 20, 2020 – Viewing and discussion of 2016 TED Talk, "Teach Girls to Be Brave, Not Perfect."

Block Kids – January 24, 2020. Seventy-one students from Crestline Elementary participated this year.

Holidays 2019 – a great time to relax and enjoy the season with your Chapter. You'd never believe we were just fighting over White Elephant gifts with those grins!

Fall Conference, Reno – We toured a renovation of the Sands Hotel just off the strip. I think the tour guide was a little overwhelmed by the energy!

Yas, Liz, Charris, Gloria and Salem's great photographer Juli head out for another great NAWIC adventure.
